Due date: Tuesday, May 1

Submission method: D2L dropbox by the start of class on the due date (only item 1 below).

1. Write a 1-2 page paper discussing your own development philosophy and how it has evolved over the years. What experiences impacted your perspective and how do you see yourself applying these principles in the future?

2. Prepare to debate the pros/cons of development work. Be an outspoken advocate for your assigned position:

   Pro development work:
   • Karisa
   • Darius
   • Andrew
   • Will

   Anti-development work:
   • Wes
   • Stanley
   • Xander
   • Karla

3. The debate will begin with each person reading a prepared statement expressing their assigned point of view. The debate will be moderated by the course instructor, and local police officers as necessary. The debate will finish when both teams are totally exhausted.
